Common Errors for QRDA Category I Test & Production Files Session II

Save the Date

Wednesday, November 30, 2016 2 p.m. ET

Agenda: This presentation will provide an overview of several topics related to the mandatory electronic Clinical Quality Measure (eCQM) submission process for the Hospital Inpatient Quality Reporting (IQR) and Medicare Electronic Health Record (EHR) Incentive Programs for Calendar Year 2016.

Objectives

By the end of this program, participants will be able to:

- Troubleshoot common CMS Quality Reporting Data Architecture (QRDA) Category I file submission errors to reduce the likelihood of file rejection
- Locate and utilize tools and reference materials to assist with submission activities
- Perform the steps necessary for successful submission of eCQM test and production files

Speakers

Jennifer Seeman
Hospital Quality Reporting (HQR) EHR Program Manager, Portfolio, Program and Project Management SC

Artrina Sturges, EdD
Project Lead, Medicare IQR-EHR Incentive Program Alignment, Hospital Inpatient VIQR Outreach and Education SC
