Ashley Stedding is a Management and Program Analyst in the Centers for Medicare and Medicaid Services (CMS) in the U.S. Department of Health and Human Services (HHS). Within CMS, she belongs to the Provider Compliance Group (PCG) in the Center for Program Integrity (CPI).

Ashley has been with CMS for three years and has been involved with many Medicare Fee-for-Service provider compliance efforts including CMS' Documentation Requirements Simplification (DRS) Initiative. She also oversaw the Medical Review Documentation Compliance and Technology Contract and helped lead the Clinical Templates initiative at CMS. In addition to the FAST Pilots Tiger Team, Ashley is also a member of the Da Vinci Operating Committee.

Currently, she is the Government Task Lead overseeing the contractor CMS has hired to assist with developing and testing the Coverage Requirement Discovery and Documentation Templates and Coverage Rules use cases under the HL7 Da Vinci project. CMS refers to the combination of these two use cases as the Medicare Fee for Service Documentation Requirement Lookup Service (DRLS) Initiative which she also leads.

Prior to joining CMS, Ashley was a Medical Billing Specialist at Capital Anesthesia Billing Services in North Carolina. Ashley has a Bachelor of Science degree in Business Administration from West Virginia University.
