

ONC Tech Lab Pilots Home

This Tech Lab focus area supports implementation pilots for standards (especially those identified in the Interoperability Standards Advisory) and looks to stimulate cooperation and creativity among the active pilot community that exists nationwide.

Current Pilots efforts include:

[High Impact Pilot \(HIP\) Awards](#)

[Standards Exploration Awards \(SEA\)](#)

[Interoperability Proving Ground \(IPG\)](#)

ONC Participation in the Argonaut Phase 2 Implementation and Testing Project

[PCOR PMAL Patient Match Pilot](#)
