    - **Wednesday, September 30th, 2015 at 3:00 pm Eastern** we held another meeting to receive feedback on the updates made to the Schema, the meeting recording is available [here](#).
- **IHE Interoperability Research Award Program (IRAP)**
  - Scholarship program for the IHE NA Connectathon. Awardees receive complimentary registration as part of the program. SDC is included as a strategic priority for the IRAP scholarship program. Organizations testing one or more of the IHE Profile listed as a strategic priority will be given additional consideration by the selection committee. For more information please click [here](#).
- **Structured Data Capture Powerpoint and Recording for the IHE QRPH Profile Library**
  - The Powerpoint and Recording are available [here](#).
- IHE Content Profile was published on September 5, 2014. It is available on [the IHE website here](#)
  - IHE Content Profile was submitted to IHE QRPH committee on July 30, 2014 with over 235 community comments that were reconciled or deferred for resolution in the upcoming change proposal cycle.

The IHE Content Profile was developed within the Quality, Research and Public Health (QRPH) domain to serve as implementation guidance for SDC. The QRPH domain addresses content and infrastructure necessary to:

- Sharing information relevant to quality improvement
- Strengthening the connection between the primary care system and clinical research
- Providing population based health surveillance

## IHE Supplement: SDC Content Profile Comment Form

### Instructions:

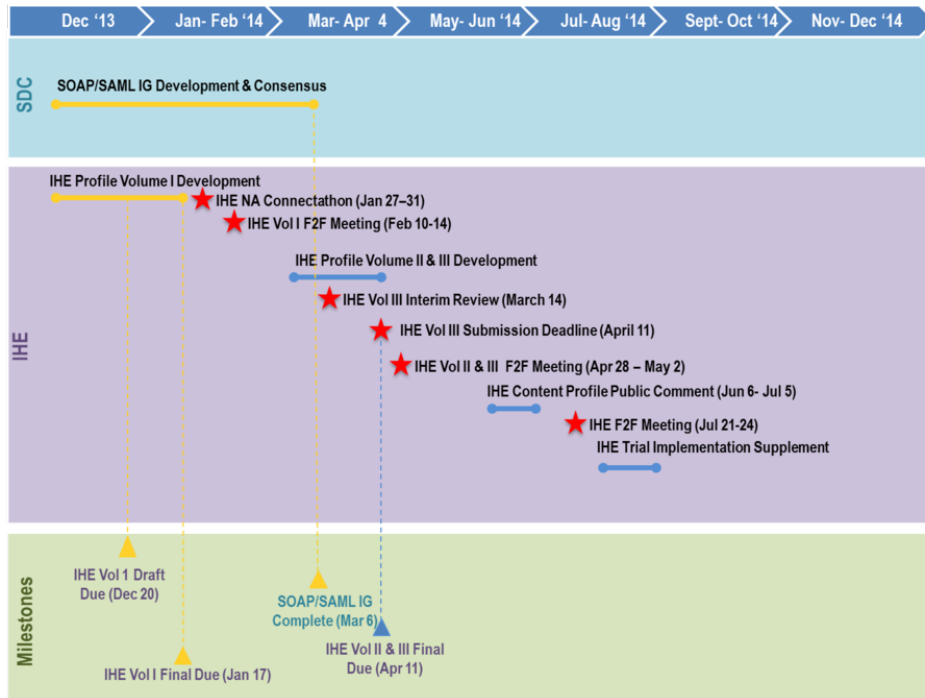

- Please download and review the above IHE Supplement Draft
- When reviewing, please try to make thoughtful editorial comments with workable suggestions for improving specific sections
- If you have a comment, fill out each of the sections on the form below
- Once you have made your comment select the Submit button
- Your comment will be added to the list of comments in the order it was received (Comments may take a minute to appear in the table below. Refresh your browser to view your comment)
- The Support Team and Initiative Leads will review the comments, provide a draft disposition and rationale for the disposition
- A working session will be held with the community to review a final disposition on each comment
- Accepted changes will be included within the final document

If you have any questions about the IHE Supplement Draft or if you need help completing this form please contact:

- For any IHE Profile questions please reach out to: Vijay Shah - [vshah@jbsinternational.com](mailto:vshah@jbsinternational.com)
- Or: Hector Cintron - [hector.cintron@accenture.com](mailto:hector.cintron@accenture.com)
