

FAST Accomplishments & Key Deliverables (2019-2021)

[Return to the FAST home page](#)

Oct 2017 – Payer + Provider (P2) FHIR Taskforce Established
Originally focused on Payer/Provider collaboration

Q1 2018 – Taskforce Charter Created

Problem: Ecosystem and infrastructure barriers prevent wide-scale adoption and deployment of FHIR
Purpose: Address ecosystem barriers and accelerate adoption of FHIR for production exchange of clinical information between payers and providers
Need: Establish a national architecture for standardized exchange of information using FHIR
Scope: Establish ONC taskforce that leverages “tiger teams” to focus on near term, practical approaches for the standardized exchange of information using FHIR

FAST Key Accomplishments, Project Artifacts and Industry Collaboration & Coordination

Thank you for your interest in the *FAST* Initiative!

Most current information regarding where we are, what have we accomplished, details on *FAST* industry engagement and collaboration efforts, as well as *FAST* produced artifacts are made available through this page and can be accessed through the menu items below.
