SDOH Referrals

We discussed the current state of the SDOH Referral Status Query, which is being developed as a IHE FHIR IG. The goal is to have volume 1 completed for the face to face meeting. That, and the comments for the 360X-SD IHE profile will be discussed at the next IHE face-to-face meeting. The tentative time slots for 360X topics are:

- 360X-HH (Home Health) 11 am - 1 pm Eastern time on Wednesday, May 8,
- 360X-SD (SDOH comment review + Referral Status Query) 10 am - 11 am Eastern Time on Thursday, May 9.

The conference call information will be sent to the mailing list as soon as it becomes available.
